Abstract

Take a leap of faith with your friends and witness the happiness of the world that completely resembles your lavish holiday in Las Vegas – it is all about risking unlimited fun. Everything that you do in Pro Nation is meant to be a fun-filled experience that you can only dream about in your real life. Gain a great amount of income by buying property and renting it out on the open market. Work as a full-time or a part-time employee inside this exciting universe and live your life to the fullest. Play your cards right in this game of acquisition and become a real estate mogul!.

Pro Nation is full of excitement and it is all about lavish casinos. You just have to focus on earning and earning more. Whether you prefer roulette, poker or blackjack, there are many options available for you to choose from. Master them all and keep your chance of making it big, the James bond style.

History says that people always loved suspense, thrill and luck. It has been enticing people for centuries. You can experience the excitement and the adrenaline pump yourself with a huge range of games available.

The casino is one of the biggest entertainment industries in the world. Whether you enjoy classic casino games, such as slots and blackjack, or are more of a high-tech net player, you'll find a variety of options right here – all the best operators rated by experts. Our team will ensure that you always get the best advice and improve your chance of making it big.

The online casino market is rapidly expanding as more and more players are flocking to the internet thanks to its convenience. Web3.0 is the future and people are slowly getting accustomed to interacting in the presence of others yet keeping privacy as top priority.

Metaverse, NFTs, Crypto is where people want to shift their focus too and yet have great fun, all while earning. Pro Nation focuses exactly on all these aspects.

Pro Nation is a metaverse that features big budget multiplayer, commercialized businesses, and a huge variety of events. You can also host your ad on billboards spread across the city in the metaverse.

Pro Nation exists for the players who love to make fortunes. In this virtual world, you can enjoy various games and activities such as betting, trading and a lot more. You can also do various jobs in the metaverse so you can stay connected to the idea of making a big fortune along with managing your day to day survival, even in your real life!

Overview

PRO NATION is a metaverse that provides a solid infrastructure to people who want to make fortunes while spending time in royal casinos, buy-sell and rent their lands, buildings, do businesses, earn money, do jobs, commute on vehicles, promote businesses, own casinos or become James Bond in an existing casino and make a big fortune, all while enjoying their dream lifestyle and having loads of fun.

It consists of decentralized smart contracts for the casino games, a protocol for describing the content of Casino games, and a peer-to-peer network for user interactions. Smart contracts are present to ensure that every property is stored correctly with the owner's address dynamically.

A user needs to connect his/her decentralized wallet before they enter the Pro Nation world for the first time and all the monetary transactions happen in Finereum token which fuels the economy in Pro Nation. All the activities of buying, selling, renting or winning happens only with Finereum.

Pro Nation is currently under the development phase, so contents in the Whitepaper are subject to change.

About Us

PRONATION is working towards creating a fusion between certain industries such as the Metaverse, Casino industry, and also the Web3 world while bringing fun and opportunities.

The Casino industry is focused on making a fun and thrilling experience for the users. These users take a leap of faith to escape the stress of their busy life and relax. The Metaverse is focused on making a real like virtual experience for all.

The web3 world is a new and emerging world where the users experience a decentralized and more secure environment by using blockchain technologies and all the trade happens in virtual currencies called cryptocurrencies

Pro Nation aims to bring all the industries together to provide their users with a great experience. It is a one stop solution for every user to live life king size and make fortunes that can truly change life.

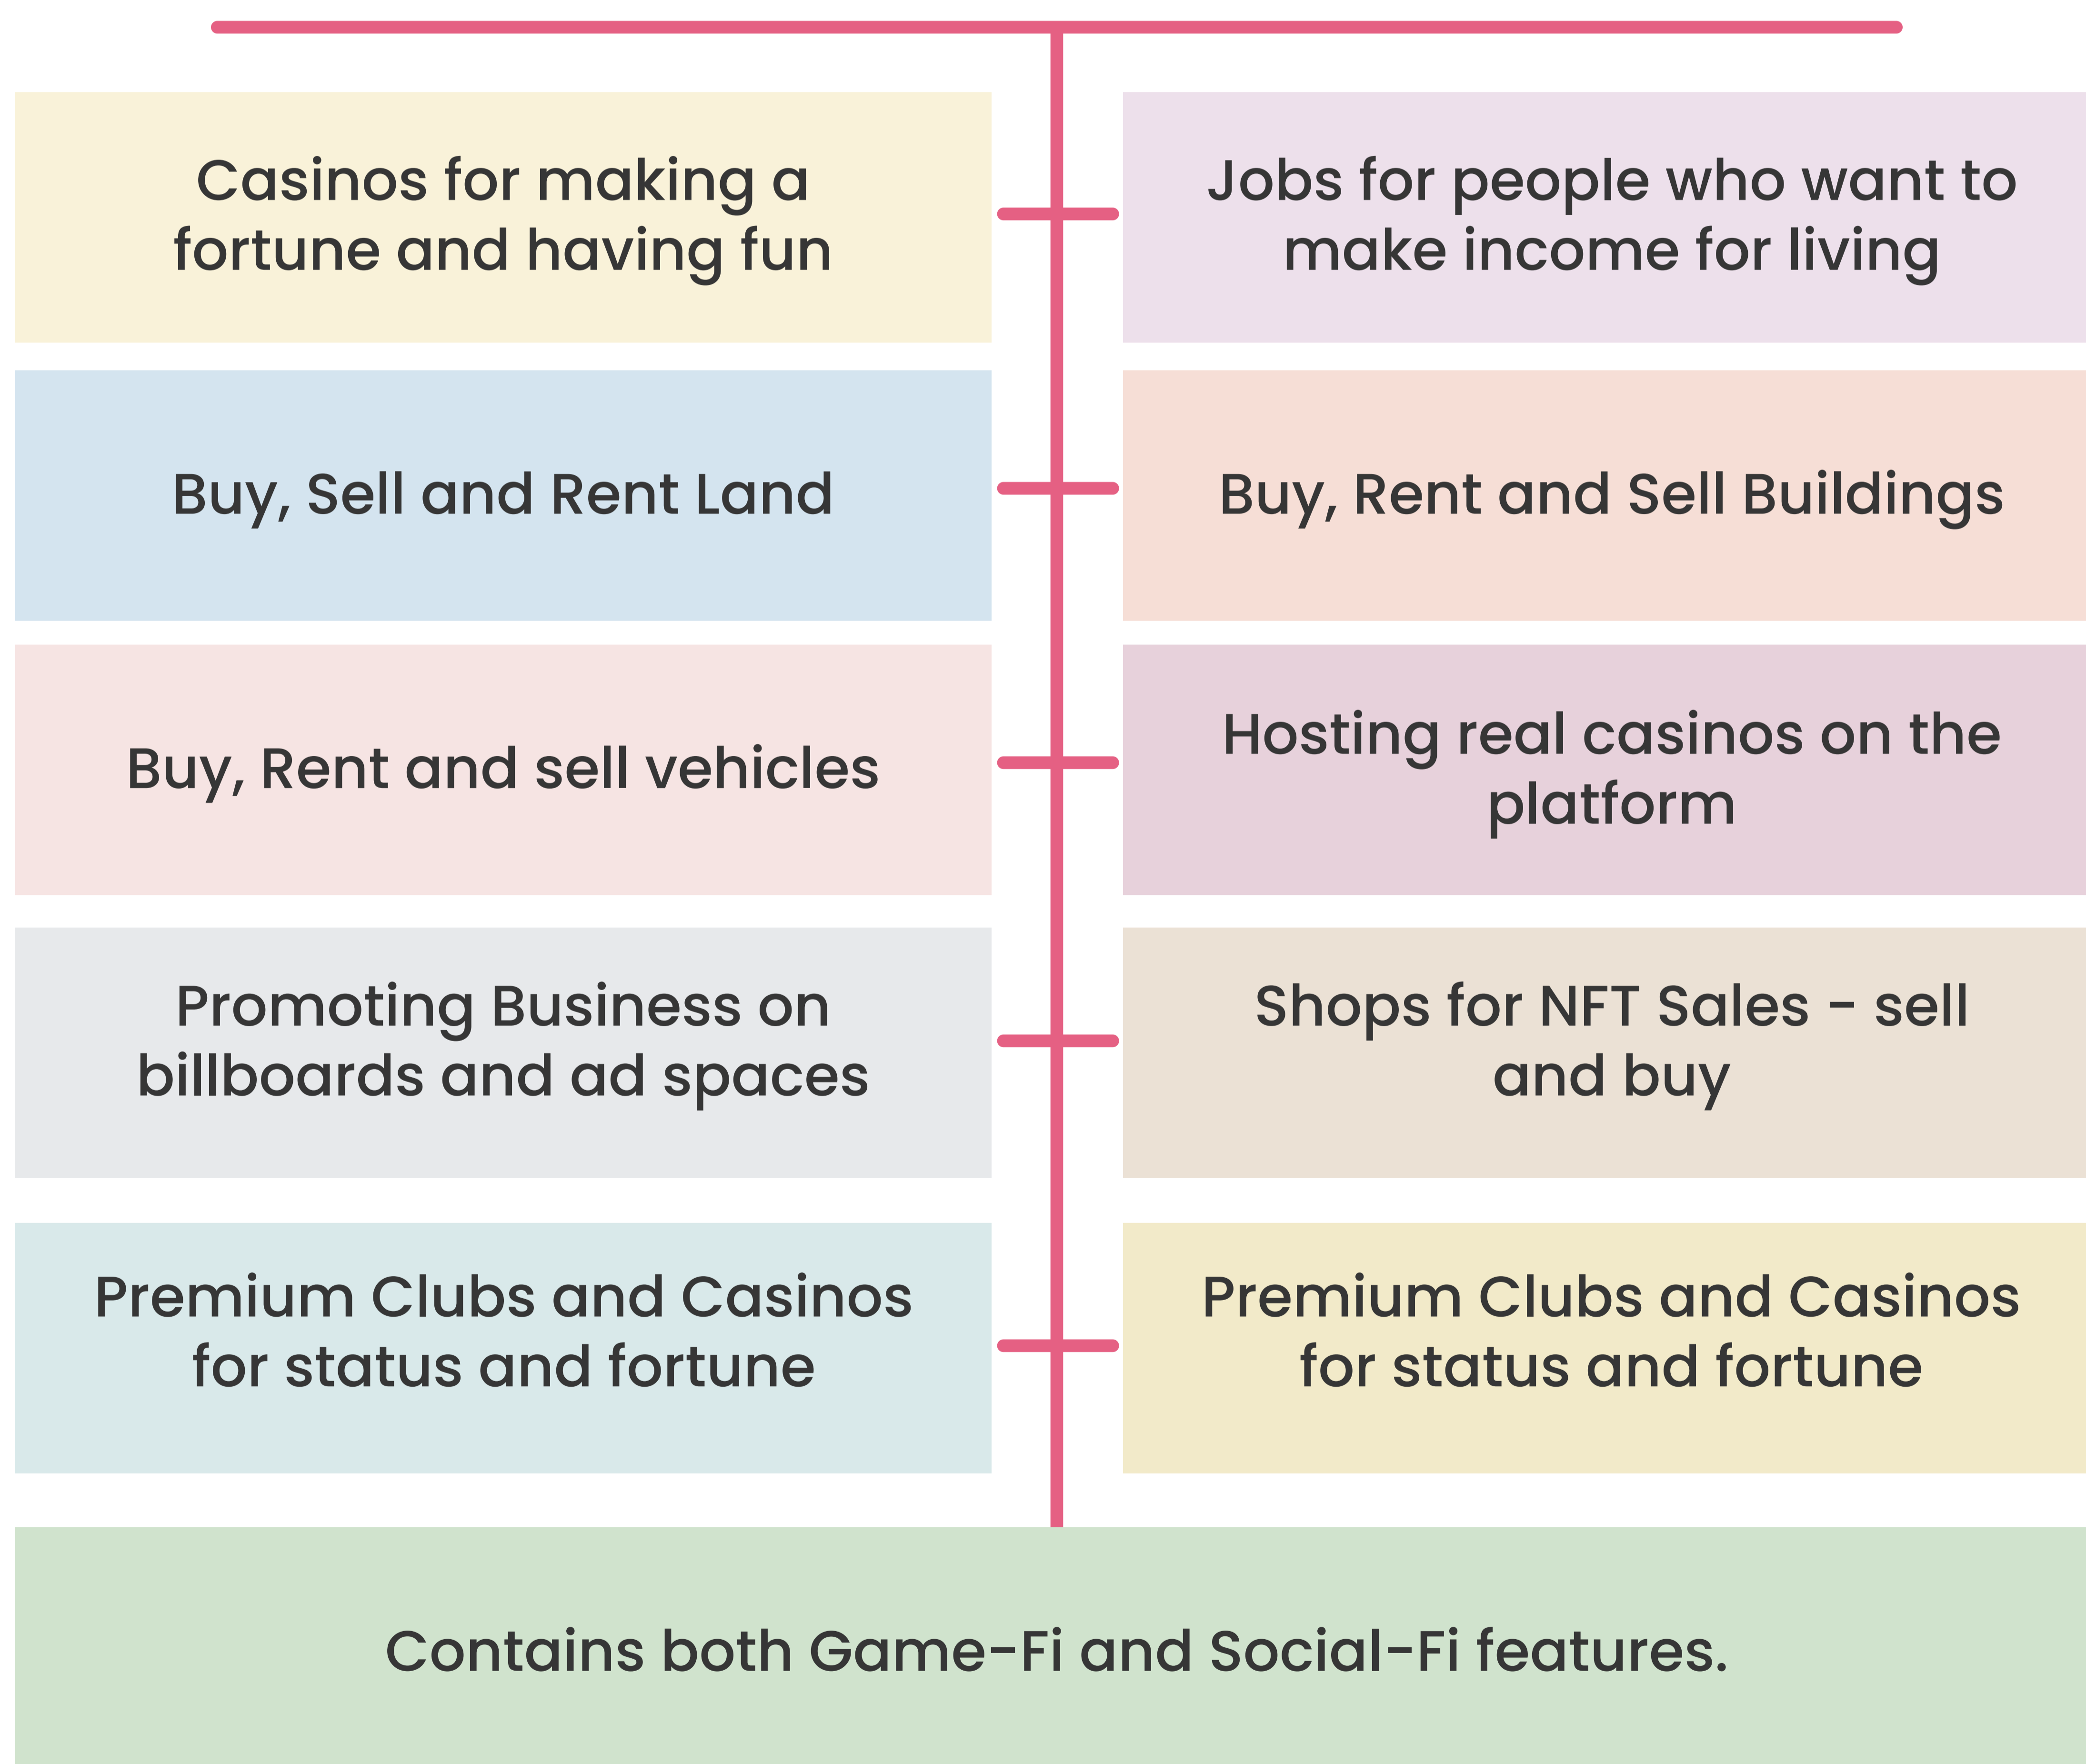

Scope & Vision of the Project

PRO NATION is a metaverse that has been created with a vision to help users have experience of premium fortune making all across the world sitting comfortably in their homes.

The smart contract related to casinos allows its users to have a seamless and safe Casino experience.

PRO NATION ALSO HAS MANY FEATURES LIKE

Pro Nation ensures that every user witnesses the luxury and gets a unique chance to live a dream world of holiday filled with fortune. Pro Nation wants its users to see this world as a way to get away from the chaos of day to day life and also witness the thrill and excitement of winning small, winning big and interacting with winners all around them.

Think of yourself as a James Bond who can win big or think of yourself as a party freak in Las Vegas who can throw big in the casinos. The choice is yours because you can actually do it here! We understand that every human loves the adrenaline rush they experience while they win and we are here to provide you the same.

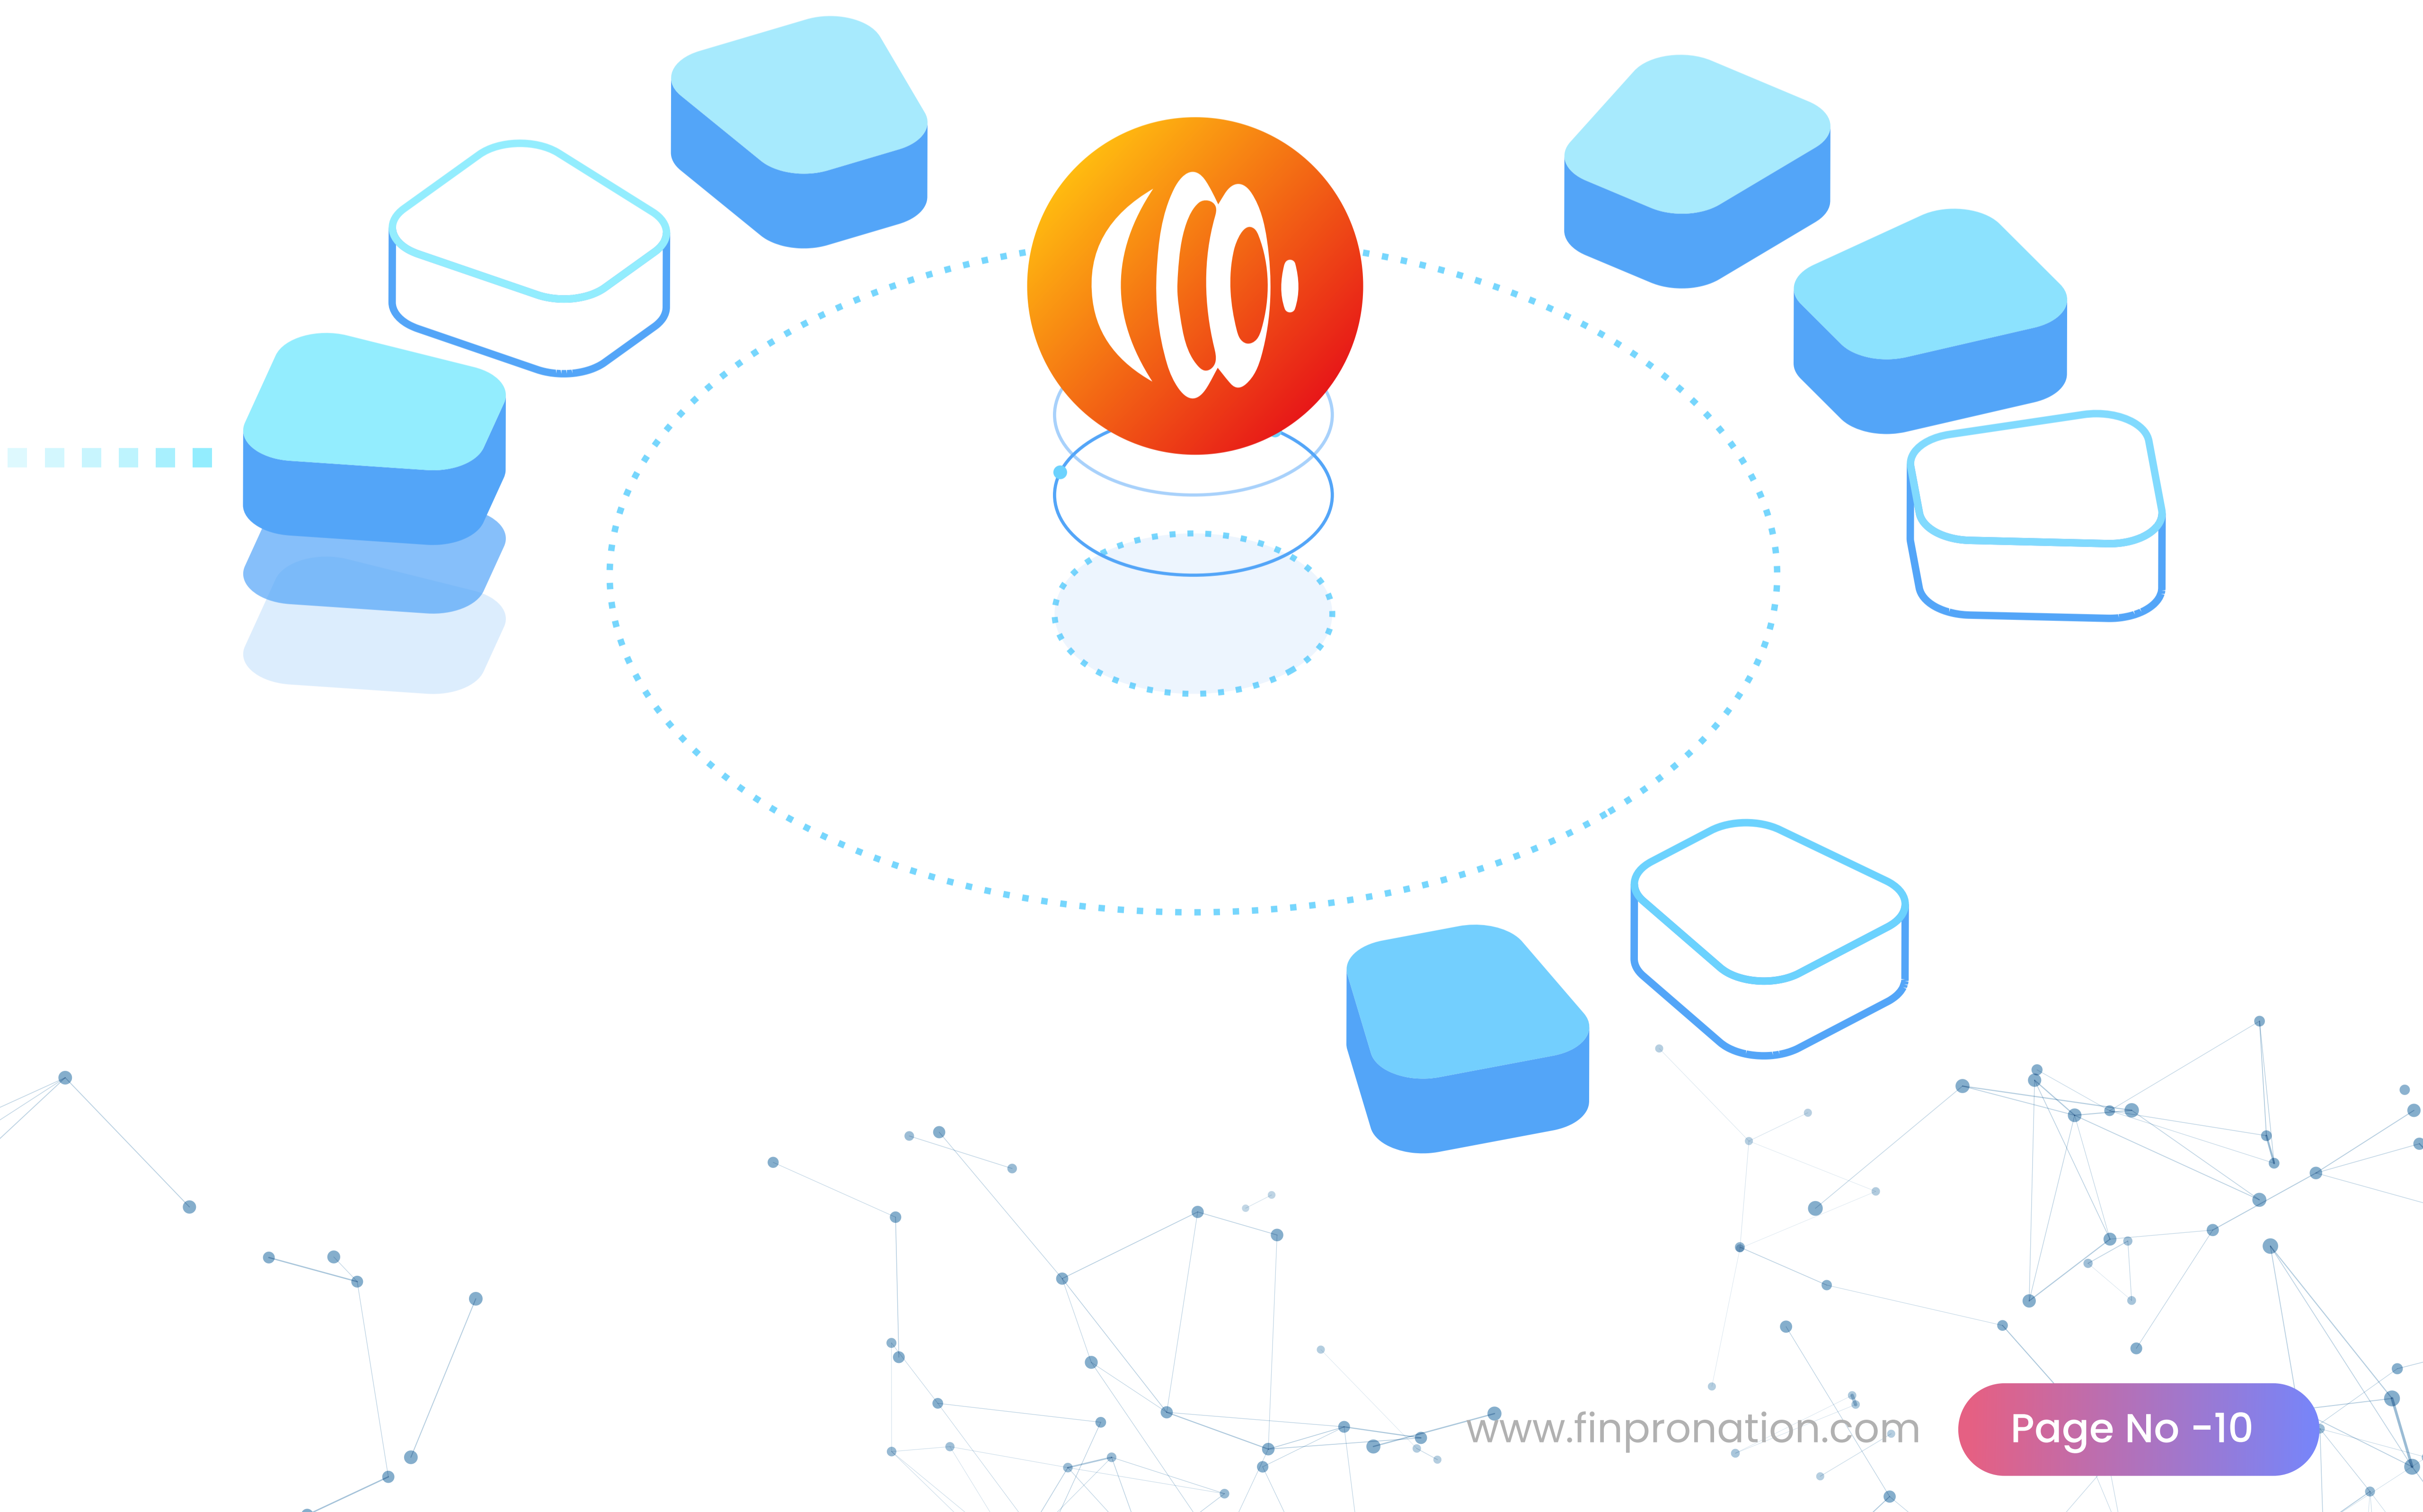

We have imagined a world where every ordinary person can become extraordinary and can just focus on making it big every single time they enter this world. We have taken an oath to make this imagination a reality with the help of blockchain technology and empower every individual to earn more and more with countless opportunities.

True Decentralization

A DAO will be introduced soon which will ensure that the most loyal users of this universe are given a chance to own it and take relevant decisions by voting system in order to take prosperous steps/changes related to aspects of Pro Nation for the betterment of all, a true decentralization indeed.

Owners of a few elite passes have exclusive access to VIP casinos for experiences that can benefit them monetarily and empower them to make decisions. Users can get a chance to run this world the way they want by voting and this will ensure that power is not there with any one organization and every user is benefitted.

Game-Fi & Social elements

Pro Nation's main goal is to provide users with the best in class experience and safe and secure transactions. With features like anti-spam, multi-factor authentication, and monitoring of user activity. Our platform offers unparalleled security and peace of mind. Pro Nation is a platform that is not only intuitively easy to use, but also one that caters to the security needs of our users.

All the features within these elements have been designed with the motive to give their users the best of the best experience.

Different Elements of Pro Nation

Gamified Elements

Social Elements

Gamified Element

CASINO

Your casino experience can now be real and virtual. Play with anyone you want, in any game and wherever you are, on this metaverse. The world's first metaverse casino concept that

bridges online casinos with real-world casinos. It makes it possible to play with people around the world in any casino game, anytime and anywhere. Play with your friends, send them money and watch the games. The Metaverse is the ultimate game changer and will revolutionize the way we play virtual casino games.

JOBS

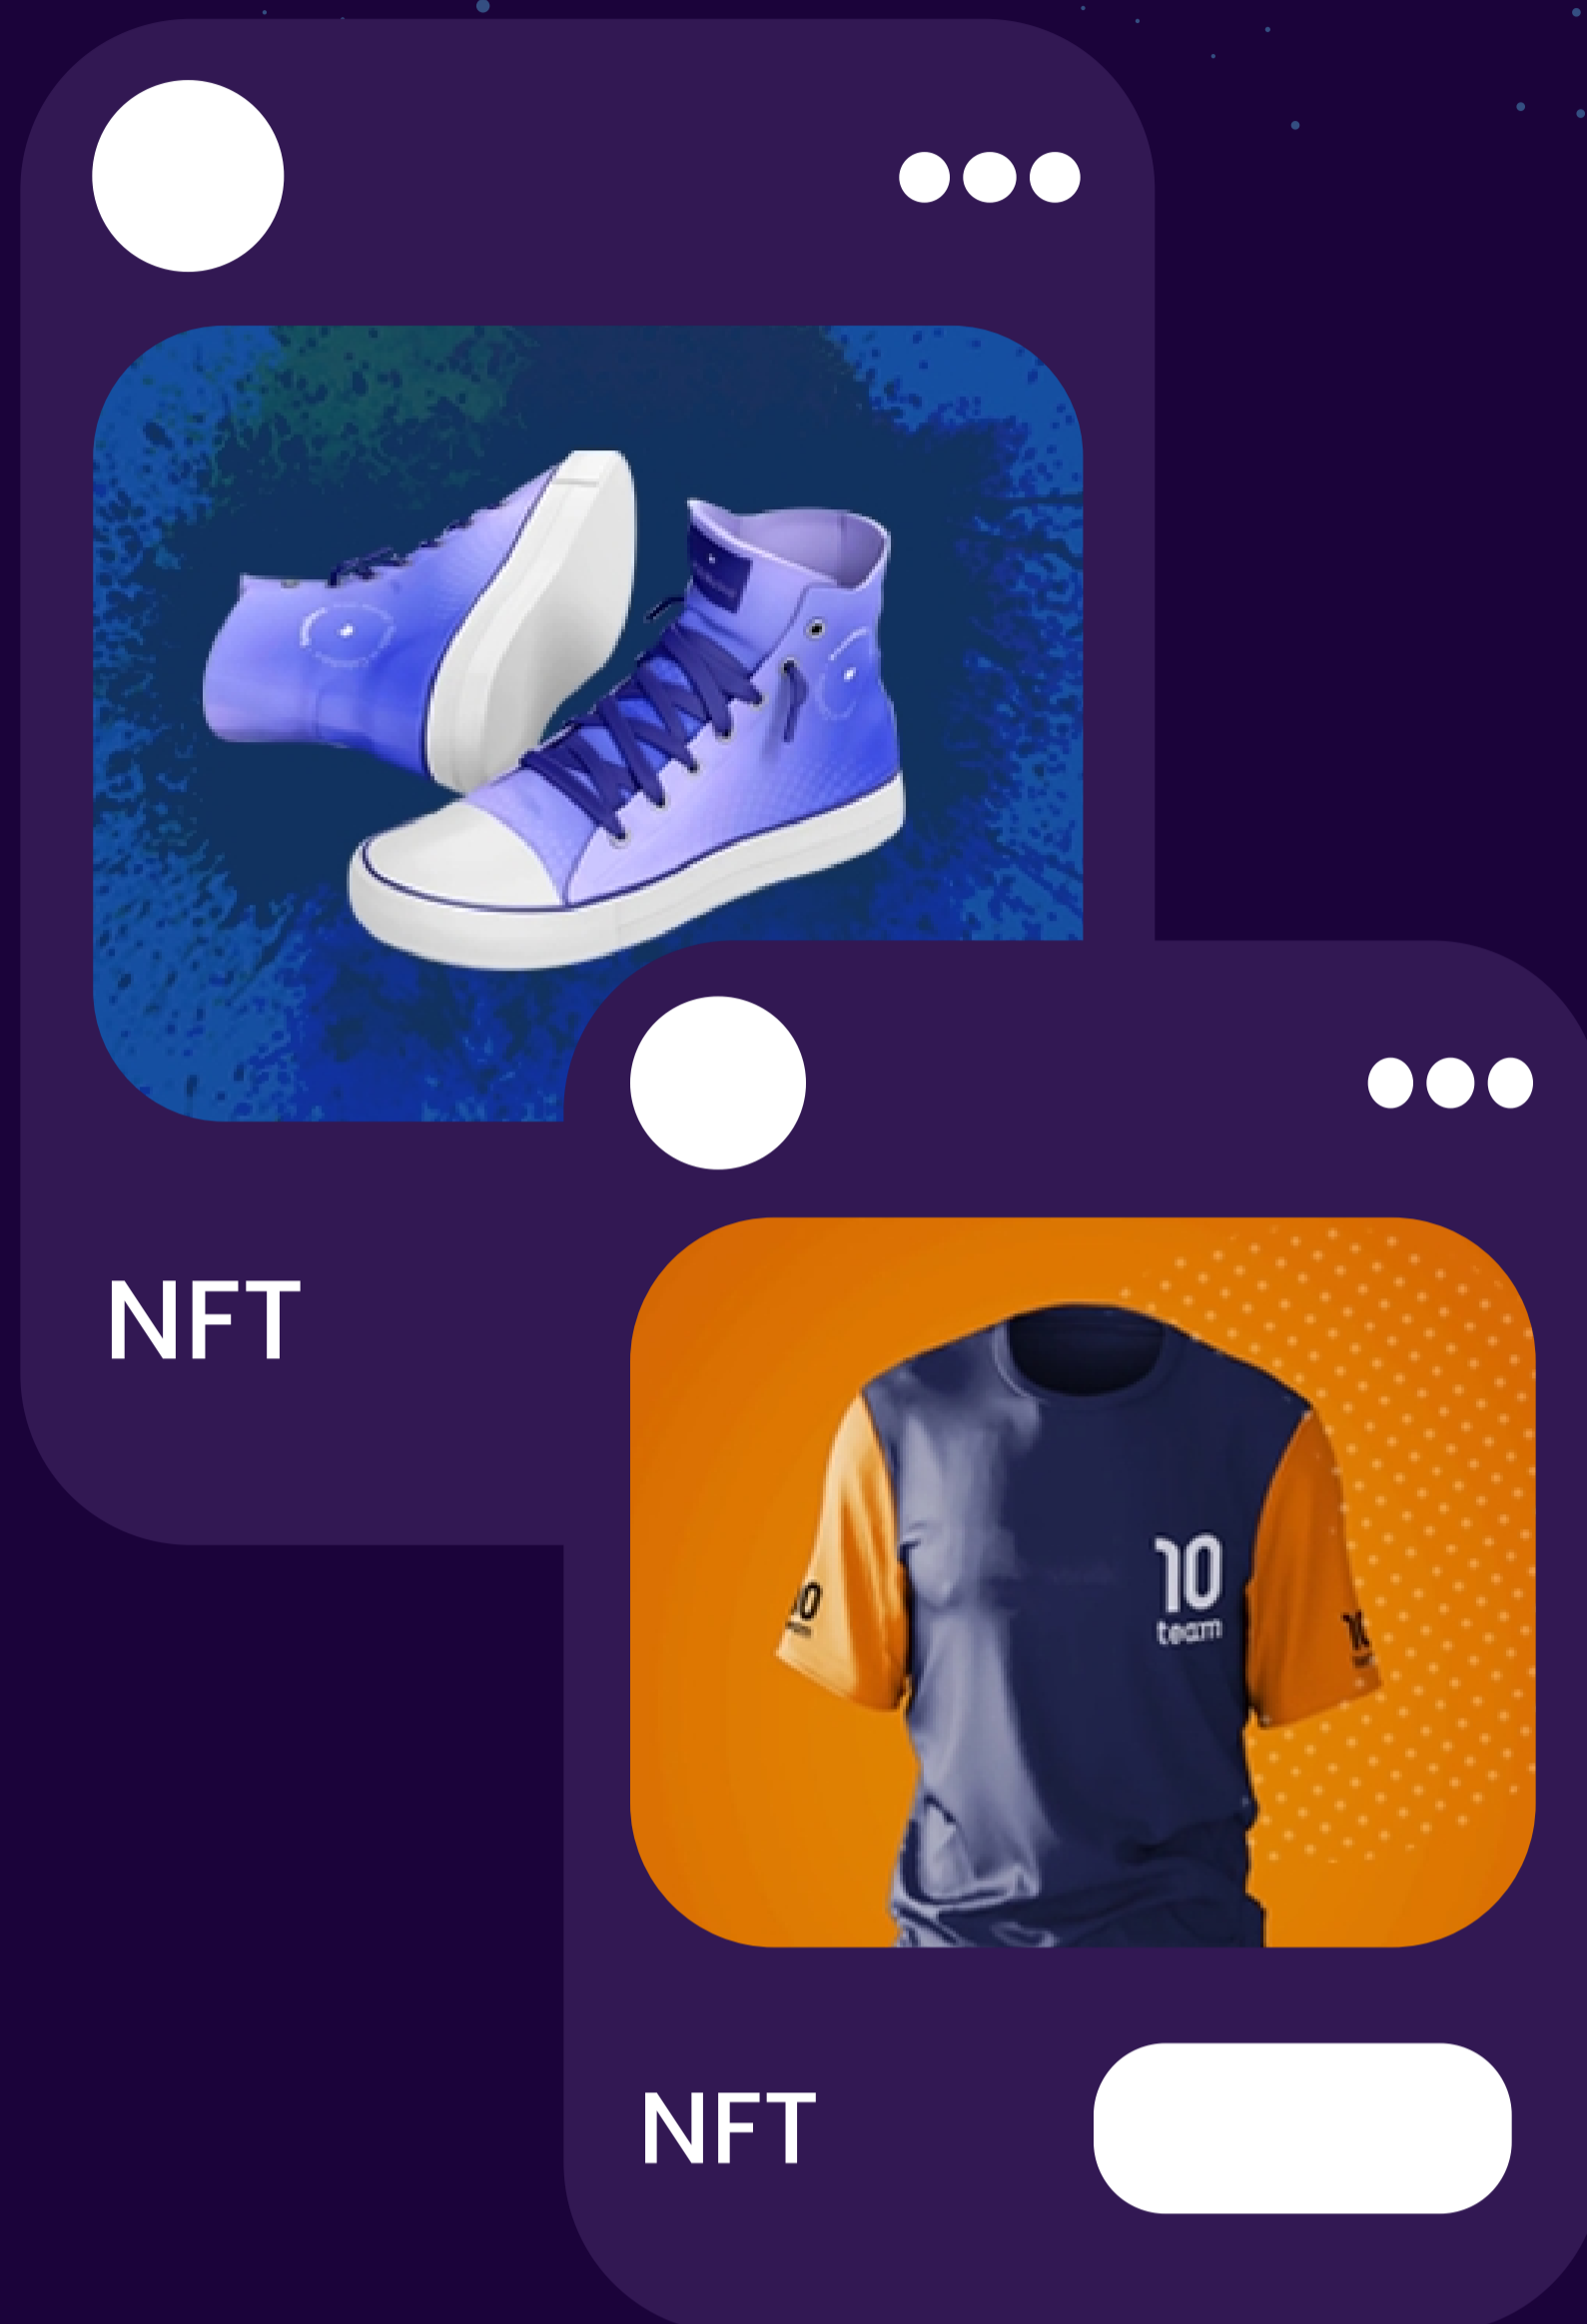

There is also an opportunity to earn in this metaverse by doing various jobs. You can browse around and search for jobs based on your specialties, skill sets and interests.

There are various jobs available such as

- ▶ Bouncers
- ▶ Dancers
- ▶ Waiters
- ▶ Dealers
- ▶ Club Managers
- ▶ Mascots

NFT SHOPS FOR BUSINESS

One way to earn in this metaverse is by opening shops and selling NFTs.

With the NFT Shop system, anyone can open a shop to list and sell Non-Fungible Tokens (NFTs). Users can go and buy NFTs from the winning he has made in the casinos while playing to get the most out of his earned money. Get your virtual items registered under your name and earn money while doing business.

For Example: Nike opens a Shoe store and sell shoes as NFT's.

BUY, SELL & RENT LAND

Buy, sell and rent land on the new web 3.0 metaverse. Register for free, look for properties you like, and raise your land prices. When you buy land in this metaverse, you can use it to create a house, or resell it to anyone else using the same platform. You can buy land and then develop it yourself. You can rent land to your friends and other players.

BUY, SELL & RENT BUILDINGS

Have you ever imagined building your own town and living happily like a lord?

That's what this project is all about. In the ProNation game you can buy, sell and rent buildings to make money. The better your buildings are, the higher their rent. You can also use these properties to get beautiful rewards (rankings which affect your ranking in the metaverse). You can buy, sell and rent buildings in this metaverse. You can build everything from a simple house to an advanced business. There are also special buildings that can help you in creating a real estate empire.

BILLBOARD AND AD SPACE

Put your ad on display across various city billboards and billboards. These locations are eye-catching and guarantee high exposure visibility.

Looking for a significant increase in the number of customers who visit your space? Our ProNation portal is the best way to increase traffic to your business and even expand your profit margin.

VIP CASINOS

We have an exclusive VIP area where you can enjoy private rooms and tables, themed games, themed casinos and your own personal casino manager to help you play better and ensure you are getting the most out of every game.

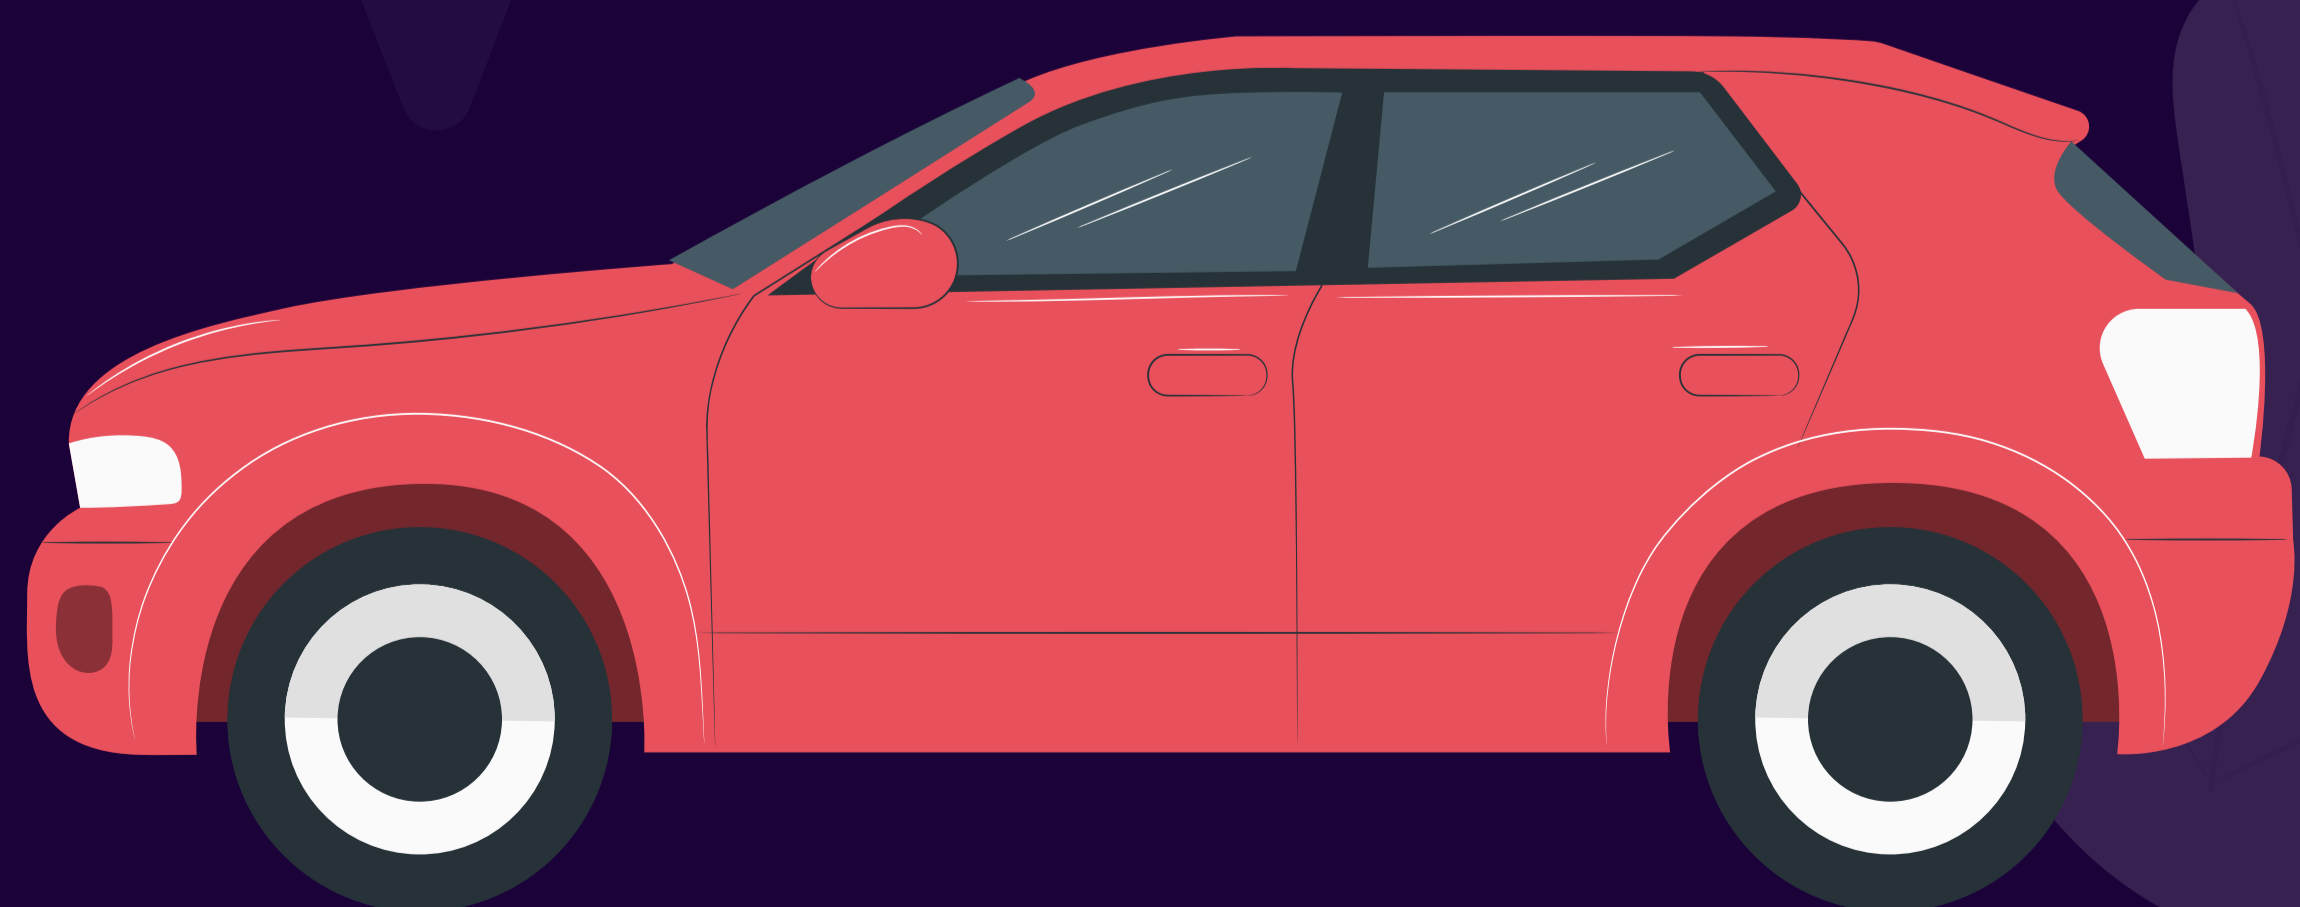

There are a lot more benefits available.

BUY, SELL AND RENT VEHICLES

Pronation is a virtual world where you can buy, sell, and rent vehicles that you can use to commute from one place to another. You can also use them for business or become a car dealer.

This enables users to buy, sell and rent vehicles in an environment that provokes transparency and trust through smart contracts. This metaverse is also about automotive vehicles. Cars and motorcycles are part of the life story of most people in our world. You can buy and sell them as a user, dealer or rent them out to different users.

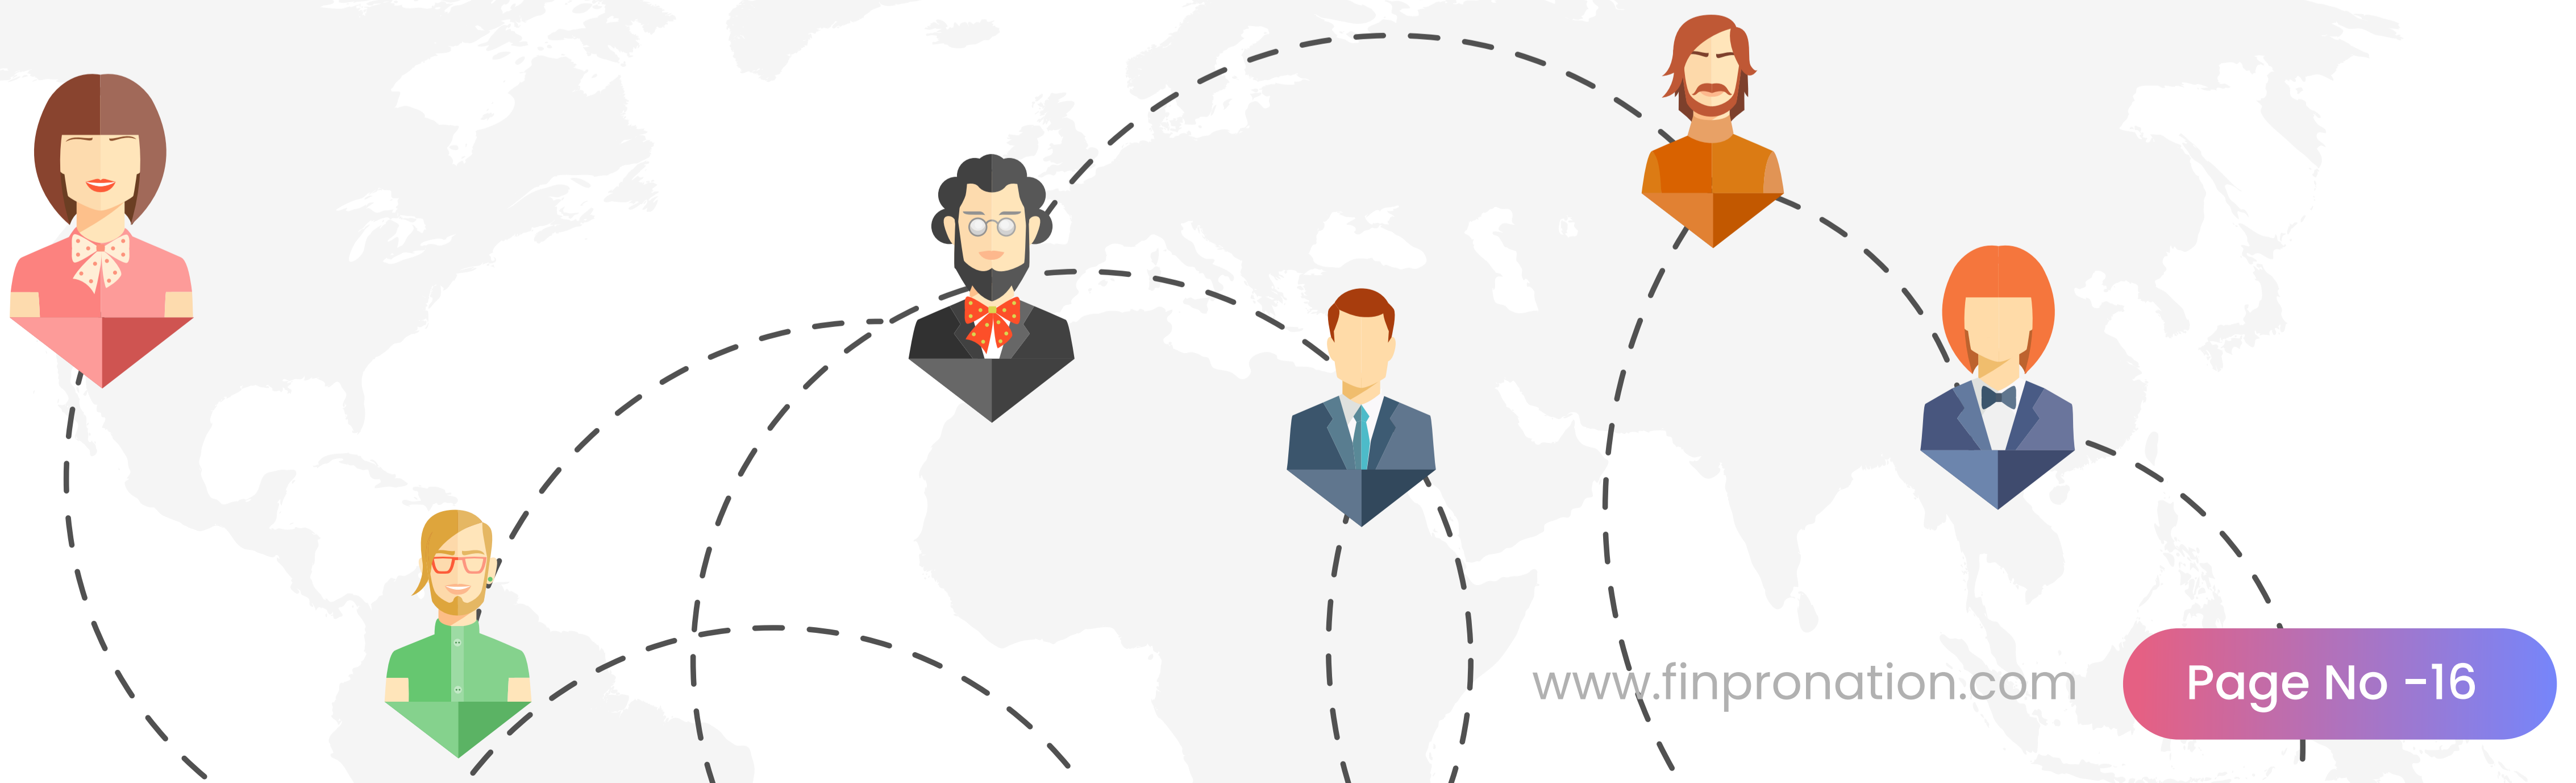

Social-Fi Elements

In this metaverse you can find new friends and make new contacts. Socialization is the most important and key feature for survival and growth. And the Web 3.0 world is all about socializing while being private and encrypted and not getting yourself in any danger.

As users you can socialize with new people and grow your connection. And if you are one to remain within your circle, you can invite your friends and family and create social groups within this metaverse to enjoy with the ones you know and trust.

In the Pro Nation, you are connected with different people across the globe. You can win as well as lose from your friends or from strangers in the game. You can connect with different people, play with them and enjoy the luxury of premium casinos with them. It's a cool place where you will meet new friends and make memories with them.

Pro Nations also provides great Part-time / Full-time job opportunities for their users, which allows its users to interact with a wide range of audiences as well as businesses. What better place than a Casino to meet new people, get rich and have fun of course. Be part of a community of people who enjoy the company of others while making a fortune. Come here to socialize, have fun and help each other win big.

What users get?

Casinos are a popular pastime in the world. Nowadays, more and more people love to play casino games online. We would like to introduce you to a fun and exciting world where you can expect to create your own journey towards prosperity and it is called "Pro Nation".

Experience the fun and enthusiasm of making a fortune with the world's No. 1 online casino, giving players a full spectrum of games to choose from in a safe, secure environment. Bonuses, daily and an easy-to-play interface make Pro Nation the best option for players who want to enjoy their time while playing exciting games.

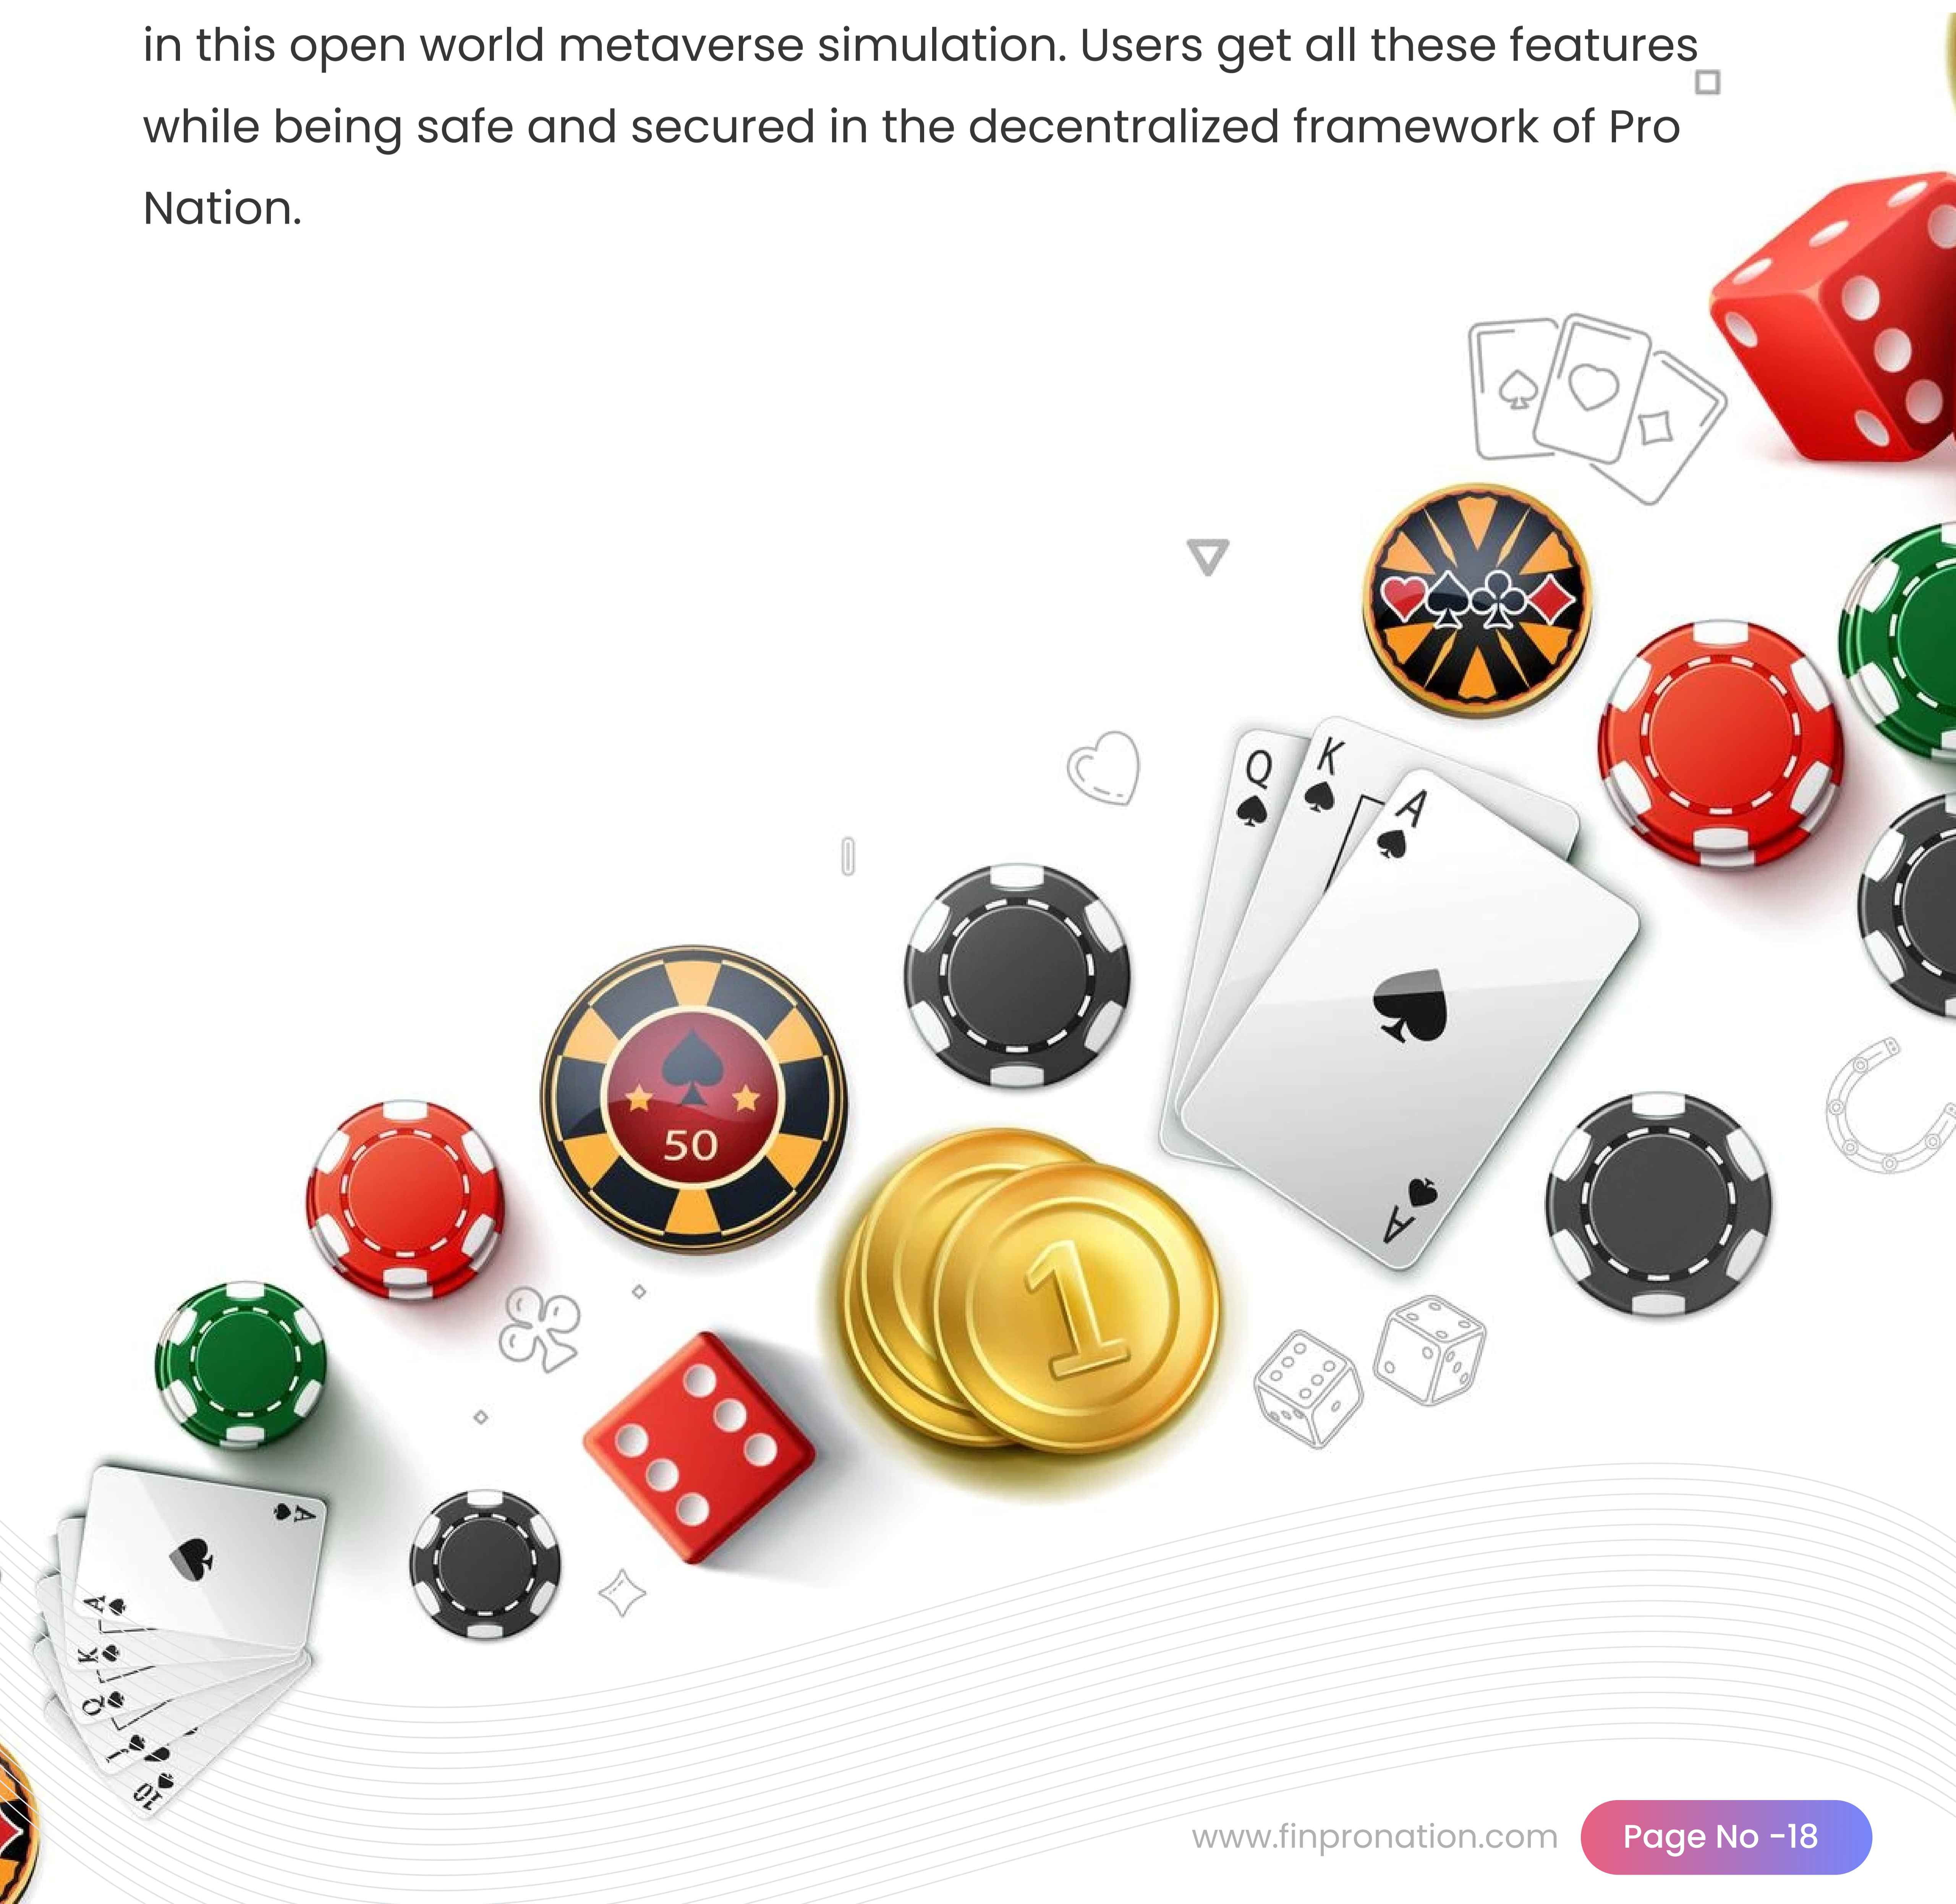

The user can do business, play casino games and win while doing so. The user gets a chance of winning while playing and doing business. With the facilities provided by ProNation, no matter how much you play, it will not confuse you on which way to play. All around the world there are people who are interested in Casinos. Players enjoy the games offered by different platforms online. Due to this reason, the Online Casinos platforms have been increasing their activities in a positive manner. Users here can live in a world full of prosperity and build connections in the most amazing way with other users.

Why is this relevant For Users?

Unlike any other Casino games, Pro Nation users here have an option of playing, owning property, vehicles and doing business, much more than a simple Casino.

Users can own their own Casinos and help their business grow, users will be exposed to a number of themed casinos and games much more exciting and welcoming than a normal online Casino game does. Experiencing games in a casino in Pro Nation gives a more realistic approach through your VR headset and that drives every user to concentrate and perform better in the environment experienced, it surely feels as if you are present in a real casino.

Users can interact with their friends and make new friends while playing in this open world metaverse simulation. Users get all these features while being safe and secured in the decentralized framework of Pro Nation.

About Token

Token Name

Finereum

Token Symbol

FRX

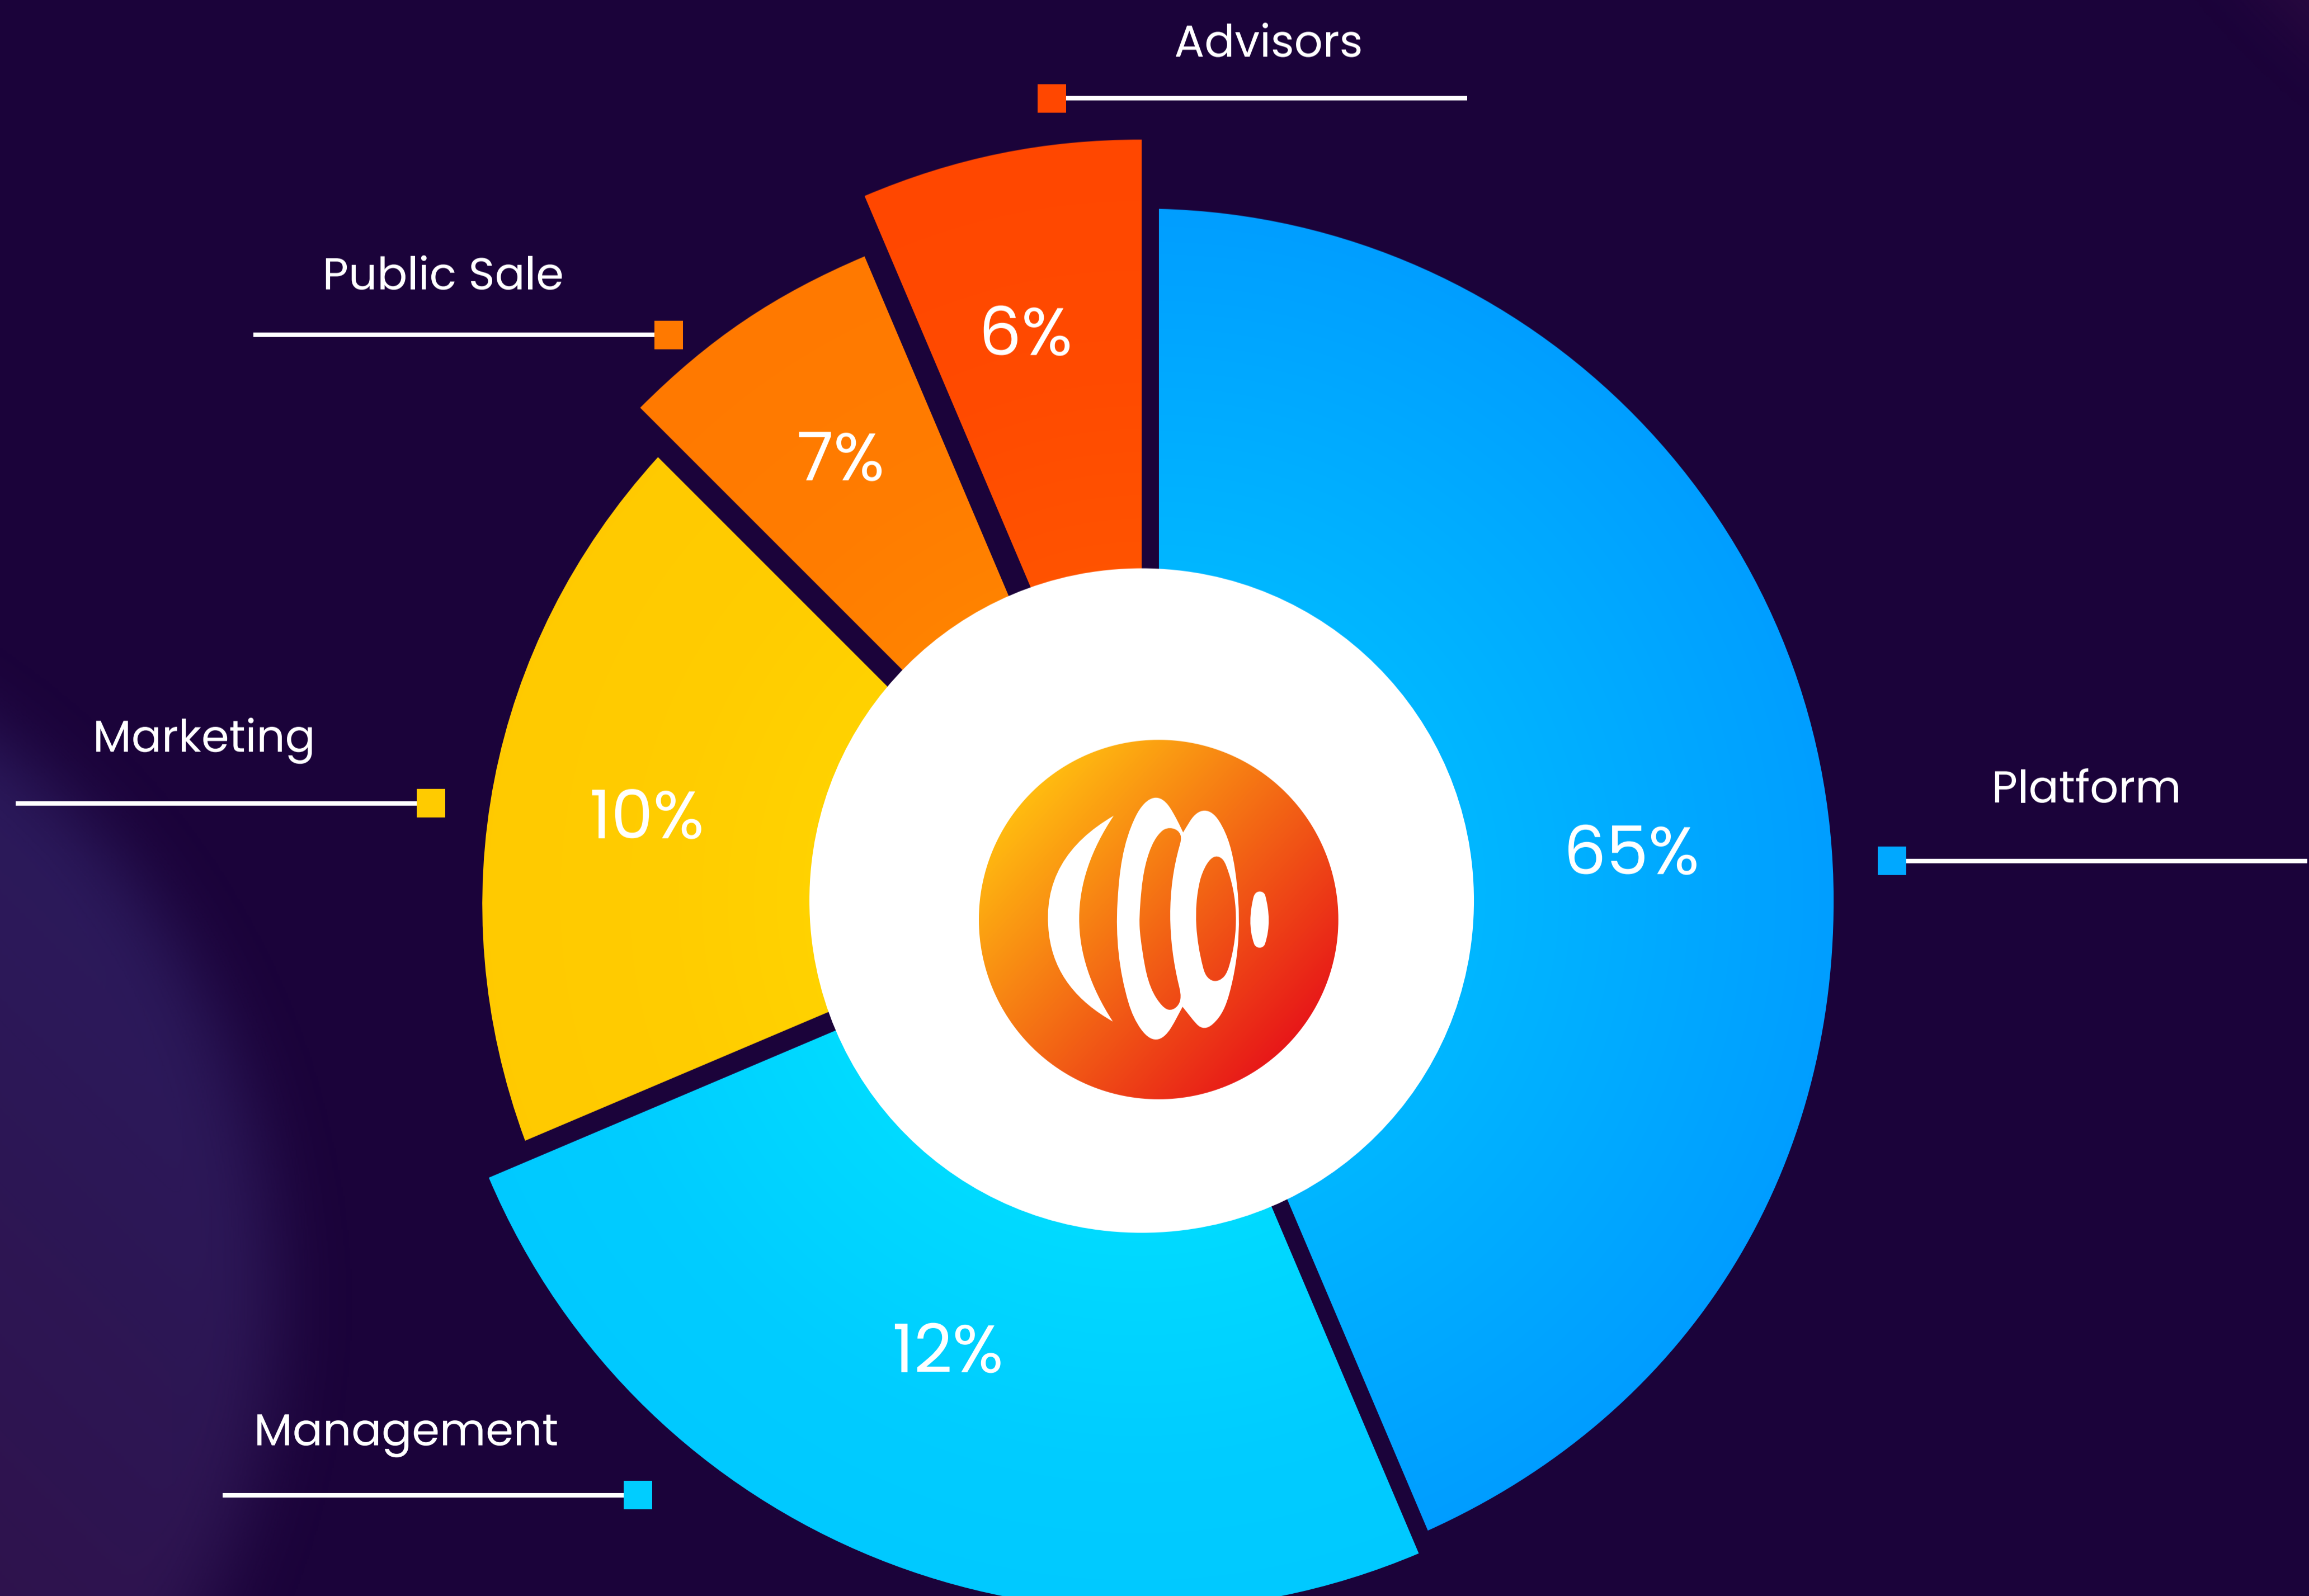

Token Symbol

2.1 Billion

Finereum is a governance token of Pro Nation and it serves as a currency in the world of Pro Nation. It is a utility token whose value will grow over time and help the users of Pro Nation by rewarding them in return.

Finereum within this metaverse will be used to buy, sell and rent all the assets of the game and assess the price of these lands, buildings, casinos and other assets of the game. Also, Finereum used to buy goods and services in the virtual world creates utility value for the token.

Bigger Purpose

Our team aims to build a platform that truly gives opportunities to every user equally and ensure that they keep their dream of making it big in life alive. It is a place where every user can wholeheartedly dream big and take the leap of faith a million times by removing their inhibitions of failure. We aim to revoke the lost winning spirit amongst humans and give them an experience of life to the fullest every single day. We give our users a world that belongs to them and it acts like a get away from their day to day routine.

We wish to create a world that is truly decentralized and filled with adrenaline rush, all while making money, all while creating chances to make a fortune regularly.

We want to create sportsmanship spirit and a healthy competitive spirit in our user and socialize in the best way possible to make numerous friends and connections.

Humans without like-minded people are no humans.
